LEADERSHIP RETREAT in Costa Rica

*You will arrive at Juan Santamaria
Airport before being flown to El Avion
– the staging area for an exceptional
agenda of self-discovery retreat, eco-
adventure and empowerment seminar.*

YOUR MANAGEMENT TEAM CAN BRING ITS LEADERSHIP skills to a new level via an outstanding week of **"Lessons from the jungle..."** in Costa Rica.

Experience a retreat in which you will learn self-empowerment principles directly from Nature...

COMPANY RETREAT

This unique training adventure is tailored to corporate leaders who know the global rules have changed... *and it's like a jungle out there.*

In Nature, "**creative capital**" describes **value we can derive from our experience.** Today, the most valued skill is an ability to think

strategically, creatively, powerfully,

PERSONAL POWER

The themes we animate during this dynamic retreat will demystify Nature's key management rule: **Altruistic self-interest.**

Learn why the jungle favors personal growth as a survival tactic and explore topics like self-motivation, intelligence, communication and power. Find out how to "add value" to your life.

CREATIVE STIMULATION

This leadership program uses heuristic learning activities, animated visits and empowering tools.

Find out why a 3000 year old culture urged people to practice 5 roles to be good leaders.

Discover why great leaders are storytellers and learn all about that art... and science. We've chosen ideal sites to explain all our creative leadership syntheses.

7 DAYS AND 6 NIGHTS

This transformational quest is designed around 7 days and 6 nights of intensive "whole-brain" stimulation to help you maximize your **«creative**

capital». It contains real adventures and great fun.

A single package price includes everything – Transfer flight from Airport, ground transport, quality hotels, meals and beverages, guides, group leaders, learning adventures, activities and notes.
